CamOvers™ have been designed to work with the most popular compact digital cameras on the market today.

The neoprene pouch offers your camera protection from the elements and keeps it insulated from abrasive objects.

Item #: CVFD30-A8

Item #: CVFD30-G12

Item #: CVFD30-B10

Item #: CVFD30-A3

Patented US6849135 & US7178193 and other patents pending.

The sleek design offers a way to protect your camera without having to carry around a bulky camera bag.

Just slip your camera's wrist strap through the access hole in the pouch, slide your CamOvers™ around your camera and start enjoying its sleek, convenient protection.

CamOvers™ are another patented product offered by Alpine Innovations LLC.

CamOvers™ include a high quality 3" x 4" microfiber cloth attached inside the pouch. The cloth removes fingerprints from the LCD screen and is great for cleaning the camera's lens.

SPECIFICATIONS

2.75" x 4.25" pouch 3" x 4" cloth

Item #: CVFD30-B4

the *ultimate* lens cloth

Spudz™
CLASSIC

The microfiber cloth inside Spudz™ stays attached to the pouch so you will not lose it.

The pouch offers protection and storage for the microfiber cloth while the snap-hook or elastic cord provide convenient ways to keep it where you need it.

It will safely clean scratch sensitive surfaces without the use of harmful chemicals. This makes Spudz™ reusable and environmentally friendly. Just hand wash with mild detergent and air dry with cloth extended.

Item #: SPFD01-G20

SPECIFICATIONS

Mini	1.00" x 1.13" pouch	∴	2.00" x 6.00" cloth
Regular	1.38" x 1.88" pouch	∴	6.00" x 6.00" cloth
Large	2.00" x 2.50" pouch	∴	10.00" x 10.00" cloth

Patented US7178193
and USD537288 and
patents pending.

The unique flip pouch design in the Spudz™ Ultra keeps the microfiber cloth from sliding out of the pouch.

The pouch offers protection and storage for the microfiber cloth while the snap-hook provides a convenient way to keep it where you need it.

It will safely clean scratch sensitive surfaces without the need of harmful chemicals and it is reusable, making it environmentally friendly.

Spudz Ultra is an extremely convenient and versatile product. To care for Spudz™ Ultra, just hand or machine wash with a mild detergent and hang to air dry.
