

## RS-4 CLASSIC

- » Slim, straight, low-profile pad
- » Small zippered pocket holds memory cards or other small items
- » Easy front adjustment
- » Like all R-Straps, the RS-4 is built for speed

## RS DR-1 DOUBLE

- » Dual harness system
- » Keep a second body at hand for ultimate flexibility
- » Easiest and most comfortable way to manage multiple cameras
- » MODS compatible

## SNAPR BAG & STRAP

- » Revolutionary bag / sling strap combo
- » R-Strap functionality with a durable, padded bag
- » Simply slide the camera out of the bag and up the glide-strap to shooting position
- » Fits most point-and-shoot cameras
- » 3 in 1: Can be used a bag, sling strap, hand strap, or all 3 combined

## MODS ADD-ONS

- BRAD**
- » Holds your R-Strap steady while you move

- JOEY-1 and 2**
- » Attachable pockets
  - » Perfect for phones, batteries, cards

PLEASE VISIT [BLACKRAPID.COM](http://BLACKRAPID.COM) FOR MORE

## RS-5 CARGO

- » Unique fold-out pad with multiple zippered pockets
- » Electronics-safe magnetic closures for sound-sensitive environments
- » Cell phone pouch

## RS DR-2 SLIM DOUBLE

- » A slimmer version of the RS DR-1
- » Great for wearing along with other gear
- » Perfect for smaller body types or those who prefer a more compact system
- » MODS compatible

## RS-7 CURVE

- » Ergonomically curved, ultra-comfortable pad
- » No integrated pockets
- » Rear quick-release / length adjuster
- » Compatible with MODS system of attachments

## RS-W 1 WOMEN'S

- » Designed for women, by women
- » Unique curved pad is the perfect fit for the female form
- » Available in either floral pattern or black ballistic fabrics

## RS-SPORT

- » Features an under-arm stabilizing strap for strenuous shoots
- » Extra wide pad for perfect weight distribution
- » The perfect companion for sports shooters

## FR-T 1 TRIPOD FASTENR

- » Compatible with Manfrotto 200PL-14 quick-release plate for the RC2 system
- » Allows you to switch from strap to tripod in a flash
- » Replaces plate's stock D-ring

## HARDWARE

STANDARD ON EVERY R-STRAP:

- ConnectR-2**
- » Locking carabiner
  - » Easy hook-up and detachment

- FastenR-3**
- » Solid steel
  - » Low profile
